Zoe Pedro Pereira	6.5	5.5	1	1	1.5	3	0	0.5	0.5	4	0	11.5	12

Notes: Only shown students who took the exam. The test marks do not count for improving grades (they are not even shown in such case); otherwise they count with 30% each only if their average exceeds the exam mark and this is at least 7; in all other cases you simply get the exam grade.
