EBH 25/26 (1st Term) – TUTORIAL

ASSIGNMENT 1 (1.5 pts of the Final Mark)

1. Next tutorial, each group will present the argument for one part of Text 2 (Galor, ‘The Journey of Humanity’).
2. Presentation time cannot exceed 5 minutes, and no slides can be used (though, students can use the white board).
3. Any student can be called for presentation.
4. Parts are assigned as follows:

GROUP A – Part 4
GROUP B – Part 5
GROUP C – Part 3
GROUP D – Part 6
GROUP E – Part 1
GROUP F – Part 2

5. Marks are only given to the students attending the tutorial.
6. I may question individual group members.
7. It is not essential that all students speak during presentations. The marks will be the same for all students in the group, unless I find that one or more students are unprepared for the presentation.

RECOMMENDATIONS

- Read also the parts **before** and **after** (not applicable to parts 1 and 6)
- Remember that to present an argument, it is essential to explain the problem that it responds to.

Good Work,
