Instructions for the Written Exam – Normal Exam Period

Date	November 25, 2026
Time	10:30 AM–11:30 AM
Location	Amphitheater 24 (Floor 2, Building F1)

Before the Exam Begins

- Students are advised to arrive at least 10 minutes early.
- Students must wait outside the room until called in by the instructor.
- Upon entering, students must sign the attendance sheet and take the seat indicated to them.

Permitted Materials on the Desk

- Identification document.
- Writing materials: pen only. Pencils and erasers are not permitted.
- Basic or scientific calculators. Calculators with communication features or internet access are not allowed.
- Authorized consultation sheet, the conditions for which are described in the following section.

Consultation Sheet

- Students are permitted to consult one A4 sheet (two pages) of free-form content prepared in advance by the student.
- The use of any other notes, books, documents, or consultation materials is not permitted.

Electronic Devices and Personal Belongings

- The use of mobile phones, smartwatches, or any devices with internet access or communication capabilities is not permitted.
- All electronic devices must be turned off and stored away along with other personal belongings.
- Backpacks, bags, coats, and other items not necessary for completing the exam must be placed in the area indicated by the instructor, near the board.

During the Exam

- The exam is individual. No communication between students or sharing of materials is permitted.
- Consulting resources or materials that are not expressly authorized is not allowed.
- Silence must be maintained throughout the entire exam. Any clarification needed should be requested from the instructor without disturbing other students.
- Any irregular behavior may result in the annulment of the exam and/or disciplinary proceedings, in accordance with applicable regulations.

At the End of the Exam

- Students must remain seated until the instructor collects the exam papers and answer sheets and authorizes departure.

Compliance with these instructions is mandatory.
