

Session 1
Part 1
Financial Markets
& Novelties

Financial Markets and Management

MiM

ISEG Lisbon School of Economics & Management

Clara Raposo

OUTLINE

A very brief overview of Financial Markets and their novelties

Money Markets

Capital Markets

Currency Markets

... and there's Banks

More recently: Fintechs and Cryptocurrencies

Trends regarding ESG investments

The different types of Financial Markets

- Better watch some simple videos and comment later:
 - A starter from Italy:
<https://www.youtube.com/watch?v=s58-mrPom7Q>
 - A primer on borrowing and lending:
<https://www.youtube.com/watch?v=b9H6WO4yNvY>
 - A primer on the types of financial markets:
<https://www.youtube.com/watch?v=xQs6Ug4MGls>
 - And newer things. Fintech by CNBC:
https://www.youtube.com/watch?v=-EoNrg_DR3s
 - Or Cryptocurrencies
<https://www.youtube.com/watch?v=6Gu2QMTAkEU>
 - And even Newer Concerns with ESG:
 - Deutsche's primer: https://www.youtube.com/watch?v=vInc_SLnOFI
 - A bit more by CNBC: <https://www.youtube.com/watch?v=OQ1cliM0b0Q>

What about us, ISEG MiM People?

- We need to go “Back to Basics”, learn it all so well!,
- and keep an eye (and an open mind) on anything that’s missing in “traditional” finance and “techy” finance.
- So we’ll go through Financial Management, like everyone else (well, perhaps a bit better than most! 😊), but we’ll always comment: on why? or why not?
