

EBH 25/26 (1st Term) -

MINI TEST

As defined early in the term, the mini test will be October 22nd, 10h00 in the usual classroom.

The mini test is worth 4 points out of 20.

It will consist of 1 open question on economic growth to be presented in one lined test sheet (brought by the student).

The question presents some data and will require the student to consider which theory explains it better.

No materials (slides or texts) are allowed.

The test will take 35 minutes, with the entry times defined as follows:

Entry Time	Students (first names)
10h00	From Alice to Leonor
10h45	From Manuel to Tomás

Good Work,
