

Rules for written Tests and Exams

For the tests and exams, students should bring:

- Pen
- Calculator (not a smart phone) with basic scientific tools (e.g., exponential and log functions)
- Photo ID
- One A4 paper sheet written on both sides, with your notes and formulae

Nothing else is needed. We will provide scrap paper and the test sheet on which you should answer the questions.

Books, phones, notes and other items cannot be used during the test.

Tests should take one hour; regular exam, one and a half; special exams two.
