# Materials

20 uncooked spaghetti sticks

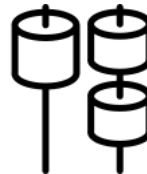

1 roll of tape

1 marshmallow

# Customer order

A structure, as tall as possible, built with spaghetti and with a marshmallow on top.

# Rules

Form groups of 5 members (4 if not possible)

With the available materials, teams must aim to build a tall structure in 20 minutes

The marshmallow **must remain intact on top**

The structure **cannot be supported or leaned against anything**

You **cannot stick spaghetti sticks into the tape roll**

If desired, you **can break the spaghetti sticks**

The team with the tallest structure wins!
