Vanda Alexandra Guerra Fernandes	15.4	10.8	5	11.5
Vitorino Atanásio Castro da Rocha				
Xuyang Liu	7.5	8.8		
Zoe Pedro Pereira	8.3			

A blank cell means you did not take the test or at least two questions; in the last column it means that or you had less than 7.5 in one of the tests; in the last column, weighted average with weights 40% for each test and 20% for the class questions; this average counts with 50% weight in your final grade if it is higher than your exam grade, otherwise you just get your exam grade.
